PLACE CARD, GRATEFUL, FALL TREE, AND LEAVES DIES

Paper Smooches is well known for their kissably-cute stamps, but did you know they also do dies? Marla used several of them on this striking Thanksgiving centerpiece and Gratitude Tree. We are thankful for so many creative options!

AUTUMN COLLECTION

This line puts the “awe” in autumn. It’s an extensive collection of glorious gold, appetizing avocado, and other true-to-fall shades. And it includes a healthy harvest of decorative extras (washi tape, stickers, enamel dots, ephemera, embossing folders, dies, stamps, and more!).

WOODLAND FOREST COLLECTION

Once upon a time, in a far off forest, smiling bunnies and scarf-adorned bears hung out with their gnomies. They enjoyed eating apples and playing in pretty fall leaves. Until one day, when you put them on your scrapbook page and they lived happily ever after, right alongside your memories. pebblesinc.com

5.....INSTALIFE ALBUMS

Don't limit your daily documenting to squares on a screen. These bitty 4 x 4 books and square journaling cards make having a real, hold-in-your-hand album obtainable in an instant.

AUTUMN GOLD FOIL DOT CARDSTOCK

Yum! That's right. Maybe it's the smell of turkey in the air, but this paper has us salivating. The fresh fall colour palette is stunning, and the gold foil adds gorgeous sophistication. Better buy two sets, because, like that turkey dinner, you're going to want leftovers.
